DMDA wants to take a stance about who we are and we do not get involved in negativity or anything political. Discussions are in the work about how we get the funding to pay the PR Firm.

Next meeting Tuesday October 3, 2017.

III. Old Business: Election 2018 we are in the process of trying to get every property owners e mail. This is not an easy task a lot of the property owners are out of town and their phone numbers cannot be found, messages have been left and no return calls made, some stores are closed and there is no way to find out who the property owner is. We are also trying to figure out a way of getting a list of upper floor businesses so they can register for the election.
